

Easy to Read Guide

This easy-to-read guide tells you about KARE's 5-year strategic plan.  
People who use KARE services have helped to make this easy read guide.  
We hope that the pictures and words used are easy to understand.  
The full version of the strategic plan has more information if you need it.

## Our Mission, Vision and Values

### **Vision**

People of all abilities are supported in their right to have real opportunities and choice to live their best life.

### **Mission**

We work in partnership to support people with disabilities and their families to create a present and future that fulfils their personal potential.

### **Values**

How we work with the people we support and their families

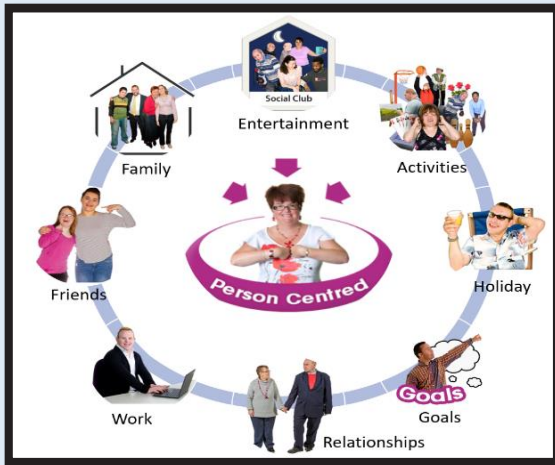

## Goal Area 1: Meet the needs of each person we support

Kare will understand the individual needs of the people who use the service.

KARE will:

1

Make sure you have a good person centred plan.

2

Help you to find a job if you want one.  
Help you to keep your job.

## Goal Area 1: Meet the needs of each person we support

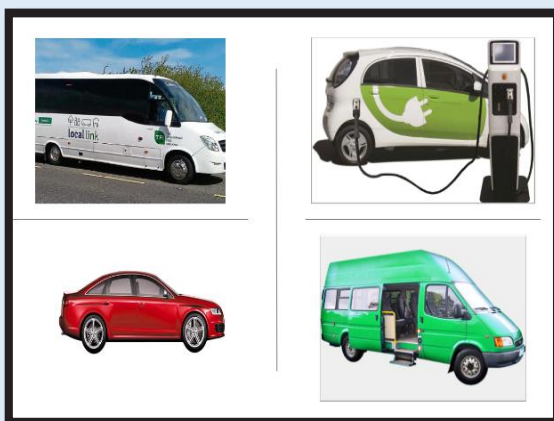

Kare will understand the individual needs of the people who use the service.

KARE will:

3

Help you to make and keep the relationships that you want in the community.

4

Make sure you have a way to get to the places that you need to go.

## Goal Area 1: Meet the needs of each person we support

Kare will understand the individual needs of the people who use the service.

KARE will:

5

Make sure you that KARE buildings have what you need in them now, and in the future.

6

Work towards having more housing options for people.

## Goal Area 2: Make children's and young people's services better.

Kare will help children and young people to be more included.

KARE will:

7

Support children and young people to get respite.

8

KARE lead services for children and young people with extra support needs in South Kildare.

We will plan how we can all work together to support children, young people, and their families.

## Goal Area 2: Make children's and young people's services better.

Kare will help children and young people to be more included.

KARE will:

Give people aged 18-30 years the supports they need for the different areas of their life.

Goal Area 3: Make sure that KARE is strong and gives people the best quality service.

KARE will provide the best quality service.

KARE will:

10

Use fundraising to raise money for the services that you need.

11

Review how we can do better in the way we work.

Goal Area 3: Make sure that KARE is strong and gives people the best quality service.

KARE will provide the best quality service.

KARE will:

12

Listen to you to see what you want from the service.

Give you information about what is happening in the service.

Give people information in a way they can understand.

Goal Area 3: Make sure that KARE is strong and gives people the best quality service.

KARE will provide the best quality service.

KARE will:

13

Support staff to build their skills in their work.

14

Listen to families about what they want from KARE.

Give families information about what is happening in KARE.

Next steps:

These are the goals for KARE.

KARE will:

Make a plan about how the goals will be reached.

Keep checking in to see how they are going with the goals.

Let everyone know how the goals are going at the AGM every year.
